Dear Friends of High Sierra Animal Rescue,

Each year an alarming number of animals are abused, abandoned, or neglected in our region. High Sierra Animal Rescue (HSAR) is a no kill shelter dedicated to healing, rehabilitating, and finding "forever" homes for local homeless dogs. As rescue needs increase, we strive to find funding to accommodate larger numbers of animals. In part, Duffers for Dogs is one of our major fundraisers to support our shelter expenses. **For twenty one years now, HSAR has saved the lives of well over 4,700 adoptable pets from regional county animal shelters.** All animals at HSAR are spayed or neutered, vaccinated, heart worm tested and micro-chipped. In addition to these procedures, some rescued animals require additional medical attention prior to being placed up for adoption. **Since our dog adoption fee falls far short of covering these expensive procedures, we are asking your help.**

On Sunday, September 20, 2020, High Sierra Animal Rescue will be holding is 16th annual Duffers for Dogs Golf Tournament at Whitehawk Ranch Golf Club. The funds raised through this event will be used for the ongoing expenses related to providing for these loveable animals while in our care, before they are adopted into their new and loving homes.

You are invited to help make the 2020 Duffers for Dogs Golf Tournament a huge success by donating to our raffle or becoming an event sponsor. Our goal is to raise over \$10,000 this year and a good share of it will come from event sponsorships and donated items. Enclosed you will find both forms with details about donating to the tournament. You may direct any questions to our office. We can be reached at (530) 832-4727 or info@highsierraanimalrescue.org.

Please send your donation, along with the completed sponsorship form to High Sierra Animal Rescue, Duffers for Dogs, P.O. Box 548, Portola, CA 96122, or call 530-832-4727 for pick-up, by September 13, 2020.

Thank you for caring, and we hope to see you at the 2020 Duffers for Dogs!

Sincerely,

High Sierra Animal Rescue
2020 Duffers Committee
