Happy holidays from High Sierra!

This year you have provided our dogs with life saving surgeries, second chances, and a safe space to grow and heal. Thanks to you, our adopted dogs will have a chance to celebrate with their new families this season. Though we are sure that they will receive gifts and treats, it is such a relief to know that they have already received the greatest gift of all—a home where they are accepted and loved. We are so thankful to have your support as we move forward and navigate the upcoming year. Thank you from the bottom of our hearts for giving us the ability to save the dogs we love and cherish so deeply. We hope that 2022 will bring you lots of happy memories with your friends and loved ones, both two and four-legged.

Georgia's Wish Finally Came True

A kind man named Scott fostered Georgia all summer while working seasonally as a chef for Sardine Lake Resort. When it came time for Scott to leave this fall, he just couldn't stand the thought of her being back at the rescue. They set off on a road trip to the east coast, their backs to the sun and a world of possibility ahead of them. Georgia is home with Scott's mom, Sarah, and she's settling in beautifully on the farm. Georgia is spoiled these days with love, toys, and long walks on her property with her new mom. We knew that there was a special person out there for her and we know the same is true for all of our longer stay dogs. We are so grateful for Georgia's family.

Hope for a Holiday Miracle

Foster home for Jezzy needed—Two incredible supporters have decided to cover the entire cost of Jez's hip surgery. We need to have a foster home lined up where she can recover for 12 weeks before surgery can take place. We have discussed the possibility of her being in multiple homes during her recovery. Jezzy is the ultimate house guest and people lover. Her dream foster home will include a quiet space and a person who is home most of the time. We do not suggest kids under 10, other dogs, or cats. Please consider fostering Jez or share her story with the kind people in your life. Reach out to us for more information regarding her foster care.

Lend a Kind and Helping Hand

The past few months at HSAR have flown by. Our Kennels Manager, Alisha, has been hard at work visiting Lassen County to help relieve their shelter of overcrowding and the possibility of euthanasia if they run out of space. We have been reaching capacity on a regular basis while trying our best to move dogs into loving, forever homes as quickly as possible. Some of our lucky dogs stay a few days before finding their families, others stay weeks or months. Regardless of how long it takes, these sweet dogs are always loved and cared for by our staff, board members, and volunteers until they find their perfect match. We need your help this holiday season. Turn your year end donation into a recurring gift so that we may continue to bring comfort and happiness to dogs in need.

Our Guardians provide us with donations that we can rely on. The success and growth of this program has created a sense of security that our rescue has never experienced before. Sign up online at highsierraanimalrescue.org. Click the orange "donate" button and make sure your donation frequency is set to monthly or quarterly.

Their future is in your hands.
