# THE HIGH SIERRA BARKER

HIGH SIERRA ANIMAL RESCUE

## The Pit Fire Puppies Are Home

While battling the 3-1 Pit Fire, a CAL FIRE Devil's Garden crew found six puppies alone in the fire area. They got them to safety and handed them off to a Lassen County Sheriff's deputy, who made sure they reached Lassen County Animal Shelter and, from there, our care at High Sierra Animal Rescue. Thanks to your support, Smokey, Ember, Flint, Ranger, Kindle, and Coal received their vet care, vaccines, and spay/neuter surgeries, and we're thrilled to share that all six have found wonderful homes. They've settled in with other dogs, are acing their training, attending puppy classes, and already enjoying hikes and water adventures with their new families. Thank you to the firefighters, the deputy, Lassen County Animal Shelter, our donors, and the families who gave these pups their happy beginnings.

## Looking to Adopt?

Birdie is a sweet, silly 10-year-old who loves greeting people and leaning in for affection. She's house-trained, walks fairly well on leash, and knows her name, sit, and come. She'd do best as the only pet or with one calm, older dog, in a quiet home with no cats. Read more on our site!

## Rescue Updates!

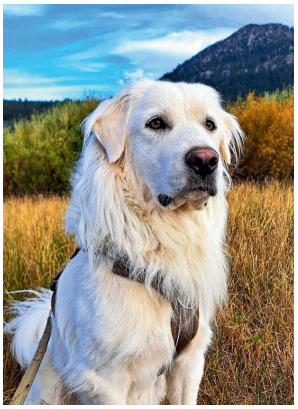

**Kermit's surgery is scheduled!**
Thanks to your generosity, Kermit has found a medical foster home and his surgery is scheduled for October 15th. He's still available for adoption and is getting the care he needs in a loving home. Thank you to everyone who donated, and a special thanks to his foster mom.

**Volunteers and fosters needed!**
Ever thought about taking a rescue dog on a field trip or fostering one at home? Fill out our online foster or volunteer application and help kick start some tail wags!

**Spay and neuter vouchers**
We've funded over 130 spay and neuter vouchers to help offset costs for pet owners in our community. If you know anyone in Plumas County who could use help, please have them contact Plumas County Animal Services (530) 283-3673 about securing a voucher for a dog or cat. Please consider donating this Giving Tuesday, December 1st, to keep our voucher program going.

**A great event season**
Thank you to everyone who supported The Retriever's Ball and Pints for Pups at The Brewing Lair! These events raised over $10,000 for dogs in need.

# Whitney's Wilderness: Endless Summits

Last December, our staff made the trek to Lassen County Animal Control, where they met a fluffy, matted, timid beauty named Whitney. After wandering the area on her own before animal control picked her up, she was a shell of the dog she could be, but we knew there was a world of potential underneath.

As she grew more comfortable at HSAR, her personality blossomed, and we learned just how goofy she could be with her incredible play bows and big bounds through the play yards.

In March, we received an application that sounded like the perfect match. They met Whitney and let her know she was in for a lifetime of adventure. Now they spend their days on gorgeous trails all over the Sierra Nevada, with Whitney leading the way and tracking down every scent she can find. Her adopters have let us know we absolutely cannot have her back.

You can follow along with Whitney's adventures on Facebook, where she now has her very own page: **Whitney's Wilderness**
